TUITION AND FEES ARE NON-REFUNDABLE: _____
INITIALS

Tuition is due on the first of each month and late if not received by the 5th day. The amount of tuition is the same each month; all vacations and holidays have been factored into the annual tuition and then divided into payments for your convenience. Daycare options may be available during winter, spring, and summer breaks at an additional cost. Failure to pay tuition/fees when due shall constitute grounds for suspension and/or termination of the above named student until all payments are current. I/we further understand that tuition accounts not paid within five(5) days of the due date will be charged a \$35 late payment fee, and that there is a \$35 fee for a returned check. I/we further agree that the school's legal obligations pursuant to this contract are subject to the following: all payments due herein have been made no later than five(5) days of the date due, and student citizenship/behavior is satisfactory as solely determined in the judgment of school officials. I/we further understand that in signing this tuition contract, I/we agree to accept and follow the rules and regulations of the school as stated in the annual Parent Handbook, and will support the enforcement of such by school officials. Tuition Agreement must be signed by parent(s) or guardian(s) who accept(s) financial responsibility for the above named child pursuant to this agreement. By signing this agreement, I authorize the School to utilize photographs and student work in school related forums such as the yearbook, newsletters, the Sage website, and in general Sage advertising. (If you do not wish to consent, you are responsible for notifying the Sage office in writing.)
